Carlisle SynTec Systems Names Everguard Roofing, LLC to 2019 FleeceBACK® Champions List

(CARLISLE, PENNSYLVANIA) – Carlisle SynTec Systems is pleased to announce that Everguard Roofing, LLC has been named to its 2019 list of FleeceBACK Champions. FleeceBACK Champions are an elite group of highly skilled contractors who are dedicated to installing Carlisle’s most durable and robust roofing systems: FleeceBACK EPDM, TPO, and PVC.

Each year, Carlisle’s FleeceBACK Champions are selected based on sales volume and a history of top-quality installations. Only about five percent of Carlisle’s Authorized Applicators meet the requirements to be FleeceBACK Champions.

“Carlisle is pleased to name Everguard Roofing, LLC to the 2019 FleeceBACK Champions list. Everguard Roofing, LLC has earned this distinction because of their commitment to exceptional workmanship and high-quality products and systems,” said Austin Kulp, Carlisle’s FleeceBACK product manager.

Applicators who achieve FleeceBACK Champions status are knowledgeable and experienced with Carlisle’s full line of products. FleeceBACK Champions are eligible for exclusive benefits, including annual incentive trips that allow guests to network with fellow contractors and Carlisle staff while enjoying a variety of activities and excursions.

About Carlisle SynTec Systems: Carlisle SynTec Systems, headquartered in Carlisle, Pa., has been manufacturing single-ply membrane roofing systems for more than half a century.
